Lucky's Market and Chadwick Arboretum are teaming up to raise funds for the Horticultural Therapy Garden at OSU Chadwick Arboretum & Learning Gardens. Bring your cloth shopping bags and for every bag you use, they will give you a coin to place in the Chadwick fundraiser bin. The campaign goes through April 1, so help us fill up the Chadwick Bin!

Join the fun on Feb. 13: We will make origami hearts to fill with free seeds.

Share Your Seeds (or not): Everyone is encouraged to bring seeds to share, but it is not required. If you bring seeds to share, please label them with the seed variety and the date.
