Members Preview Party

Thursday, May 10, 2018: 5:30 – 8:30 p.m.

Auction at 6:00 p.m.

To join us Thursday evening for our members preview party, you may become a member now at ChadwickArboretum.osu.edu. If you wish to become a member Thursday evening, you may bring a completed form to the reception ([click here to print the form](#)) or forms will be available at the door.

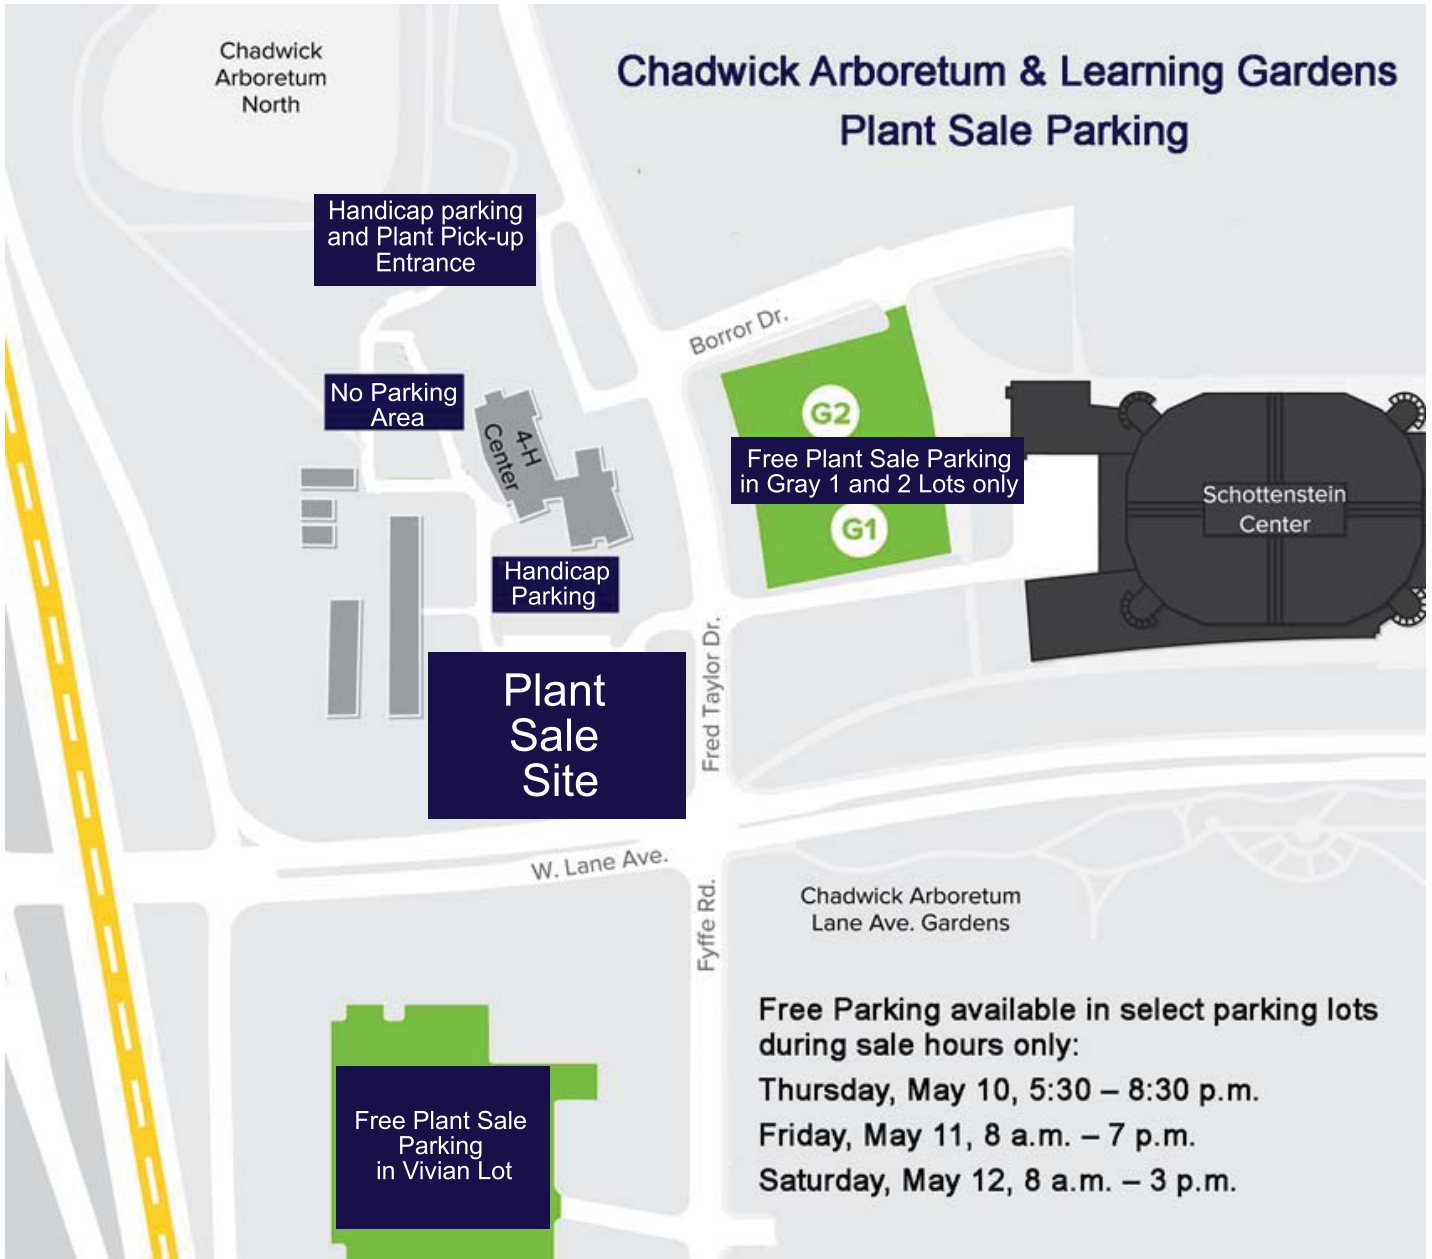

Location: NW corner of Lane Avenue and Fred Taylor Drive just east of SR315. Free parking is available across Fred Taylor Drive in Gray Lots #1 and #2. See map on page 2.

Third Party Vendors: We have over 15 vendors this year, including 2 student organizations, with a variety of plant material and garden related merchandise. For a list of participants, see page 3.

Plant List: Chadwick Arboretum offers over 650 varieties of uncommon plants and proven performers for Ohio climate and soils. Our plant list represents our best estimate of expected stock. There are always last minute changes resulting in additions, substitutions, and deletions in the inventory. We hope that unexpected additions will compensate for plants we do not have for sale. The plants that Chadwick Arboretum is offering this year can be found on pages 4-15 for Perennials, pages 16-17 for Annuals, pages 18-20 for Herbs, and pages 21-22 for Vegetables.

Ask the Experts: We will have experts on hand to help with your selections and to provide advice. Plant Ambassadors, Horticulture Students, Faculty, Franklin County Master Gardeners, and many other industry experts will be on hand to help with your plant selections. For a complete list of experts and information booths, see page 3

Thank you for supporting the students, gardens, programs, and operations of Chadwick Arboretum & Learning Gardens.
